MSSC2021  
**Ab initio Modeling in Solid State Chemistry**  
September 20-24, 2021 - London, UK - *Virtual Edition*  
<http://www.imperial.ac.uk/mssc/mssc2021>

---

London, September 24<sup>th</sup>, 2021

This is to certify that Alessandro Cossard attended the virtual  
edition of the International Summer School

**“Ab initio Modeling in Solid State Chemistry -  
MSSC2021”**

held at Imperial College London - UK.

Alessandro Cossard also fulfilled the duties of being a tutor at  
the Hands-on Workshop on CRYSTAL17 aimed to guide  
beginner users to understand how to use the CRYSTAL code to  
run simulations for periodic systems.

Dr G. Mallia  
On the behalf of the  
directors of MSSC2021
